I love to send my girls there for their grooming and day care services. My girls love to play there. Staff are friendly. I know my girls would be in good hands. Would not hesitate to recommend them to other dog owners.

Owners+staffs of Ginny and Friends are very friendly & helpful. Place is very clean. Our pet dog was very well taken care of during her boarding. Will not hesitate to recommend or use them for boarding again.

Staff are very helpful n friendly. Big area for dogs to run around more like a small dog run with aircon. Feel safe to leave my dog there with webcam around. Can see staff playing with my dog thru cam. Thumbs up.
