GLAMOUR POOCH

Going by the latest pet care trends in town, nothing is too indulgent for our precious furballs. By Yanni Tan

Canine Play School

Daycare for dogs is one of the newest services in town, and an excellent alternative to cooping your pet up at home while you're at work or on vacation. At **Ginny Dog Care** (9 Thong Soon Avenue, tel: 6754-3677, www.ginnydogcare.com),

a 1,500 sq ft air-conditioned indoor facility, your fur kid can socialise and play under constant supervision. We like its cheery painted walls, humane cage-free concept, regular scheduled outdoor walks and potty sessions. Plus: You can keep an eye on your baby via the facility's three webcams. Half-day rates are \$17, and a full-day session costs \$25.
